

## Gainsborough WWI Roll of Honour.

Note – this list is based primarily on the Roll of Honour compiled by Mr. R .H. Johnson in the early 1980s - soldiers whose names were published in the “Gainsborough News” during WWI – there is a copy of this Roll of Honour in All Saints’ Church and Gainsborough Library.

In this Roll of Honour the places where soldiers are buried/commemorated have been added.

Some corrections have been made and a large number of soldiers have been added – the additional names are from a variety of sources e.g. soldiers named on war memorials in town churches e.g. St. John’s, St. Michael’s, Wesley Chapel, Primitive Methodist Church (Trinity Street), Bridge Road Wesleyan Church, St. Thomas’s, Gainsborough Post Office War Memorial and Q.E. Grammar School Memorial.

Also added are the names of a number of soldiers whose names appeared as “wounded” in the G.N. and who subsequently died.

Details have been checked as far as possible by referring to the Commonwealth War Graves Commission website and the “Soldiers Died” database.

Any corrections, additions or extra information are welcomed.

**The Friends of Gainsborough Cemeteries and Chapel are keen to establish an accurate list of local servicemen who died in WW1.  
We would welcome any extra information or photographs of local soldiers.**
